

JFS Orlando

Annual Report

2017

Welcome Message

Dear Friends and Supporters:

In 2017, JFS Orlando impacted the lives of more than 10,000 individuals—from all walks of life. We assisted people in every zip code in Central Florida, provided services regardless of age, race, religion, national origin, or sexual identity, and proudly continue to provide compassionate programs on a sliding fee scale or free for those who qualify. However, none of these accomplishments could ever be achieved without the efforts of our dedicated staff, Board of Directors, volunteers, and YOU, our generous supporters. Thank you for your generosity in support of our work.

JFS Orlando is in a strong position to help individuals and families meet the challenges we all face throughout life. Our commitment to excellence, careful management of resources, and success at leveraging support from funders demonstrates our value, and we offer many opportunities for you to be involved with our efforts. We can (and will) do more, if you do more. We hope a look at our community impact in this Annual Report will inspire you to support our work by volunteering with and donating to JFS Orlando, as well as turning to us when you need us.

With gratitude and appreciation.

Mission

Jewish Family Services of Greater Orlando (JFS Orlando) provides services to stabilize individuals and families in crisis, and enhances the quality of life across generations to all members of the Central Florida community.

In 2017, JFS helped more than

10,000

individuals in crisis.

Family Stabilization Program

137

households
participated in the

Family Stabilization Program (FSP), which is designed to prevent the spread of homelessness by providing meaningful, long-term solutions for at-risk individuals and families. The program includes sessions on financial literacy, interview and job skills, budgeting, and resume writing.

We were homeless and needed help. I am so grateful for JFS Orlando. The food, the classes, the counseling—I needed it all. I can open up the door to my own place and cook my own meals. It's the little things like that you take for granted.

-Angela

Clients participated in

673

case management sessions.

Counseling, Growth and Development Program

JFS licensed counselors support individuals, couples, and families as they cope with life's challenges and strive to reach their personal goals. Mental health counseling is provided in a safe, confidential, and caring environment in individual and group settings to address many concerns, including:

- Parenting
- Stress
- Grief
- Aging
- Depression
- Self-esteem
- Chronic pain
- Anger
- Trauma
- Divorce

Committed to providing counseling services to those in need regardless of their financial means, JFS is one of the very few agencies in Central Florida that provides a sliding fee scale to clients who qualify in addition to accepting most insurance plans.

1,447

counseling sessions were provided.

60

students took part in KidsKonnnect,

an in-school group counseling program created for children experiencing family disruption such as divorce, parent incarceration, or military deployment of a parent.

Pearlman Emergency Food Pantry

More than

67,000

meals were provided to

vulnerable individuals and families in the community who are struggling to make ends meet.

My husband suffers from PTSD. I'm now his caregiver. We were denied benefits and had funds removed that shouldn't have been. I'm grateful for the food that was given to us by JFS. We have to eat.

-Candace

180

free, kosher holiday meals were delivered to homebound seniors.

Emergency Services

\$156,290

in financial assistance was distributed to

215 households for rent, mortgage, and utility payments.

Reliable Independent Drivers for the Elderly (RIDE)

502 roundtrip rides to medical appointments were provided to seniors and disabled adults.

Chaplaincy

The JFS Community Rabbi helped

579

families with services, including hospice, memorials, and hospital visits.
